DOM's Deliberations

Spring is rapidly approaching, and the world will soon begin to re-awaken from its winter nap. This is a great time to begin working on ways to let your faith bloom and bring a little of the light of Jesus to those people among whom God has planted you. Springtime is when we celebrate Easter and the Resurrection of Jesus Christ and His victory over sin and death. What a wonderful opportunity to share the love of Jesus with your family, friends, and neighbors.

I was recently touched by God's Word in my own personal quiet time and reminded that I am the joyous recipient of His love and forgiveness; and for that, I Love God in return. Also, because I have received God's love, I can risk loving others in His name. In fact, I not only can but must do so. You see, loving God and others is not a suggestion but rather a command! When asked what the greatest commandment was, Jesus replied "...You shall love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength." The second is this: 'You shall love your neighbor as yourself.' There is no other commandment greater than these."

Mark 12:30-31 (ESV)

How are you obeying those commands today? Think about it.

May God bless you as you walk in obedience to Him.

Bill
