NCBA Churches on Mission

In July 2 teams made up of people from several of our NCBA churches went out on Mission.

The first team of 24 (youth and sponsors) traveled to Grand Island, NE to help Beacon of Hope Church with Sports Challenge. There were 100 kids in attendance each day with 128 decisions registered over the course of the week. Praise the Lord!

The team worked hard, their help made this event possible, and their efforts were greatly appreciated.

The second team of 11 adults went to Alaska. They worked in the mornings in Wasilla with the state Disaster Relief coordinator servicing equipment, installing a generator and doors in a DR trailer, and helping with several other projects.

In the afternoons they worked with Agape Fellowship Church that meets in the Palmer High School building.

The team went door to door making contacts with families living in a neighborhood near the church. Three days the team had the opportunity to help with a Family Fun event in the county gymnasium where a bounce house, food, and other activities were made available. There were many opportunities for conversations with parents and children. Several of those who came attended Agape Fellowship the following Sunday. Praise the Lord!

DOM's Deliberations

As the Director of Missions for our association I have the privilege of seeing a big picture of what God is up to across our area. Indeed, God has been very good to us this summer. We have seen His Holy Spirit at work among our children and youth at Camp. We have seen Him at work through our mission trips and other evangelistic efforts. One thing that I would like to remind all of us to do is to continue to be much in prayer, not only for our own church but also for our sister churches within the association and for other churches across the country and around the world. Now is the time to reach out to the lost and hurting in our communities.

Far too often we look at how difficult things have been and indeed still are and unfortunately have the tendency to pull back into our comfortable shells. Now is not the time to do that! I believe that we are in the last days (at least we are closer now than we have ever been before); for that reason it truly is time for the church to stand up and be the church. Please join with me in praying that all of our churches and all of their members will be bold in proclaiming the love of Jesus Christ, each and every day. Time is short and the need is great. May God richly bless your efforts to extend His kingdom.

God Bless,
Brother Bill
