DOM Deliberations

Since the last issue of the newsletter a lot has been happening. There has been much talk about the Revival/Spiritual Awakening that began a few weeks ago at Asbury University and has not ended. Apparently, this movement has also spread to numerous other college and university campuses all across the country. In addition, there have even been reports of large spiritual awakenings in several countries around the world. While it is too soon to tell if this is the beginning of a truly world-wide Revival/Spiritual Awakening, we can at least say that there is indisputable evidence that the Spirit of God is at work in the hearts of literally thousands of people, calling them to confession and repentance. The absolute best thing that we can do is confess our own sin, repent, and pray. "Oh God send revival and let it stir in me." Prayer is absolutely essential!

Johnathan Edwards, who played a key role in the First Great Awakening, said:

"We see by experience that a remarkable pouring out of the Spirit of God is always attended with... a great increase of the performance of the duty of prayer" (The Works of Jonathan Edwards Vol. 9: 2).

Please join me in praying for a great movement of God not only here but all across the world.

God Bless,
Bill
