NCBA Teams Minister in Colorado Springs

On July 12th 3 teams made up of members from several NCBA churches, joined by members of Chelsea Baptist Church, traveled to Colorado Springs to work on 3 separate projects. In cooperation with Pikes Peak Baptist Association these teams had the opportunity to minister to 2 different churches and the Air Force Academy BSU.

One of the teams assisted with a Vacation Bible School hosted by Open Bible Baptist Church. Team members cooperated with this small church as they reached out to their community and ministered to the 100+ children who attended VBS.

A second group helped Mountainview Bible Church who has been given a building that needs a great deal of TLC.

They painted hallways, entry areas and stairwells. It was a tremendous blessing to this congregation to have brothers and sisters in Christ give of their time to come from Oklahoma and serve them.

A third team was able to help with some construction projects at the BSU building at the AirForce Academy. They worked to resolve drainage issues and the

erosion of the driveway, as well as clear a great deal of underbrush along the entry of the property.

Not only were the people who received these teams blessed. Those who were able to be a part of this mission endeavor received a blessing through the opportunities to serve, and the relationships made and strengthened.

Welcome, New Pastors

Sunday, August 13th, Adam Hiatt preached his first sermon as pastor of Second Baptist Church Okmulgee. Adam, his wife Aimee, and son Judah come to NCBA from Hazel Dell Baptist Church in the Pott-Lincoln Association.

Aimee is a Pre-K teacher at Okmulgee Primary school.

Be in prayer for Adam and his family as they get settled in their new town and new roles. Pray for Second Baptist as they move forward in this next stage of their ministry to the community of Okmulgee under Adam's leadership.

Also in August, Bob Fowler accepted the call to pastor FBC Hoffman. Bob & Colleen are well known and appreciated in our NCBA family.

Steve Gallagher is now pastor of Immanuel Baptist Church, Henryetta. Steve & Luann make their home in Okmulgee, and have long been an important part of NCBA.

North Canadian Baptist Association is beginning a 3-year partnership with Pikes Peak Baptist Association of Colorado. During that time teams from our association will be going to Colorado to minister alongside them, and teams from Colorado will be coming to Oklahoma to support and encourage our churches as we work together to further God's Kingdom. Begin praying now about how God would have you and your church get involved.

DOM Deliberations

WOW!

As the summer heated up so did the activity levels all across the board. We started off with one of the best ACC camps that we have had in recent years. That was quickly followed up with the Start of Falls Creek for Youth and Cross Timbers camps for kids. In addition, many of you have reported exceptional Vacation Bible Schools as well. In addition, our mission teams have been busy. NCBA sent a mission team to Tulsa Mobile Missions and three teams to Colorado Springs. As an association, we are entering into a multi-year, bi-lateral partnership with the Pike's Peak Baptist Association.

Beyond this, several of our churches also sent their own teams out on mission. We still have one local mission project (Castle) that has not been realized due to construction delays. Hopefully, more information will be available on that soon.

As you can tell, summer is a busy time for everyone. As schools around the area start the new school

year, we will be no less busy, but things will fall into a more familiar routine & schedule.

Some of you have been following the issues facing us in the SBC and are concerned about the some of the controversy in the SBC at the national level. Let me the sentiment of Todd Fisher, the Executive Director Treasurer of Oklahoma Baptists, the mission of the church has not changed so we need to keep on Keeping on! The need to Advance the Gospel is more urgent than ever because as we look at the world around us it is easy to see that we are closer to the last days than ever before. Let us run the race set before us with the determination to win and hear the Lord say, "Well done good and faithful servant". (1 Corinthians 9:24-27 and Matthew 25:23).

If you want to continue to see all of these ministry opportunities please pray, give, and get involved.

God Bless,
Bill
