DOM Deliberations

Dear brothers and sisters,

We all know that these are overwhelmingly busy and difficult days, but rather than shrinking back, now is the time to stand firm in our faith and trust in the Lord.

God has not been surprised or caught off guard by what is going on in the world around us. Neither has He allowed our Great Commission mandate to change or lessen any at all. In fact, there is a greater sense of urgency now because we are closer to the end of days than we have ever been before.

How are we to proclaim to a sinful world that there is a God who loves them and desires to redeem them when so many have turned away and even claim that there is no God?

They won't listen to our words unless they see us living a real and genuine life of abiding in Christ. Most, if not all of us, are familiar with the words of Jesus in John 14:4-5. Read those words again here below and listen very closely to what God is saying to your heart.

"I am the vine; you are the branches. Abide in me, and I in you. As the branch cannot bear

fruit by itself, unless it abides in the vine, neither can you, unless you abide in me. Whoever abides in me and I in him, he it is that bears much fruit, for apart from me you can do nothing. "

Did you catch that? If we are abiding in Him, He will cause us to bear fruit but if we don't abide in Him we can do nothing. That begs the question what does it mean to Abide? Think about that. Pray about that and as you answer it ask yourself "Am I abiding in Him right now? To abide means to remain in Him , firmly attached and totally dependent on Him. Far too often we try to jump in and out of abiding in Him. By definition that is not abiding and therefore we shouldn't be surprised we can do nothing to bear fruit. Nothing to produce growth. Nothing that shows that we are alive in Him. Without abiding we can do nothing at all!

Won't you join me in praying for God to show us what it means to abide and to help us abide in Him, trusting that He will bring the fruit through us to build His kingdom.
